

KINGSLEY PINES CAMP
TEEN LEADERSHIP PROGRAM
SUMMER 2012

The Teen Leadership Program is crafted specifically for teenagers who have attended camp before and is separate from our regular camp experience.

This three-week program includes:

- A weeklong camping trip to help the group get to know each other and to begin working on our three core skills:
 - Trust and Independence
 - Communication
 - Leadership
- Service Learning Projects that not only contribute to the community, but allow the Teen Leaders to apply new skills while having a great time. We find that these projects bring the group together and help introduce them to the work environment. These may qualify as your high school community service hours as well.
- Creating a special day for camp including organizing, implementing, and running the entire program.

There will also be day trips and evening outings, which may include beach trips, baseball games, whale watching, and deep-sea fishing.

This program is only open to previous campers of Kingsley Pines and has a **limited number of spaces**.

Who: Teens entering 11th or 12th grade in the fall of 2012, who are age 15 or 16 by June 24, 2012. Open to previous campers only.

When: Program 1 - Sunday, June 24 – Saturday, July 14 (3 weeks)
Program 2 - Sunday, July 15 – Saturday, August 4 (3weeks)

Cost: \$3,995 per program

We hope your child will join us for a summer of new experiences that continue to provide the same growth and excitement that makes Kingsley Pines so great. Please contact us if you have any questions.
